

# Government Office for the East Midlands

---

Innovation, transnationality and mainstreaming.

# Themes

→ **East Midlands has chosen to keep all themes in both priorities at this stage.**

# Rationale

- ➔ Encourage as much interest as possible
- ➔ Support the widest range of innovative proposals
- ➔ More project proposals – better quality successful ones?
- ➔ More likely to get good regional fit

# Regional fit

- **ESF framework:-**
  - **Tackling barriers to work faced by various disadvantaged groups**
  - **NEET activity**
  - **Place based projects**
  - **Sector based projects**

# Partnerships

- Use or take advice from existing networks e.g. One East Midlands, EMFEC
- RMC members have their own networks
- Interest so far – they have established partners
